

THE BEST OF NORTH IDAHO

An Interactive Media Tour

System IC™ is currently producing an interactive CD ROM & Web Portal (www.bestofnorthidaho.com) featuring the best scenery in the North Idaho Panhandle, such as the regions:

- Lakes • Golf Resorts • Ski Resorts • National Parks • Colleges • And Scenic Vistas

- ◆ The majority of the CD's content features contributions by the regions Photographers and Artists, it also features an original Soundtrack created by area Musicians in a variety of different genres (the soundtrack can play in the computer and in standard stereo CD players).

- ◆ Local businesses who would like to help sponsor the project will have the opportunity to get advertisement and web links placed on the CD. Due to the limitation in how much data the CD can hold it is recommended that you contact **System IC™** soon to reserve Ad & Web-link placement. To find out how to get your Business Advertisement, Interactive Commercial, Store Tour, Custom Themed Game, Installable Custom Screensaver or Web Site linked to this visual showcase of North Idaho please call soon.

The Interactive Tour Consists of Several Area CD's:

- 1) The Best of North Idaho; An Interactive Media Tour
- 2) Coeur d'Alene; America's Lake City
- 3) Sandpoint; A Year Round Destination
- 4) Priest Lake; The Unspoiled Wilderness
- 5) Post Falls; Idaho's Future
